#6 Undersea

Mermaid Tales

Block Six - Undersea

"Let's drift for a while and learn undersea,
it's peaceful yet powerful - much like you and me."

Just a few notes for you.

- Be sure to read over all the instructions before starting your block and cutting fabric.
- The stitch and thread guide is enclosed if you wish to stitch the same as my pictured design or choose threads from your stash and start stitching.
- Pattern pieces for machine raw edge applique do not require a seam allowance, if you wish to needle turn applique be sure to add your 1/4 inch allowance.
- Pieced seams are sewn with a 1/4" seam allowance.
- WOF = width of fabric, selvage to selvage.
- Mermaid Tales was created with Riley Blake Designs 'Chatsworth' fabric by Emily Taylor Design.

Block six cutting requirements.

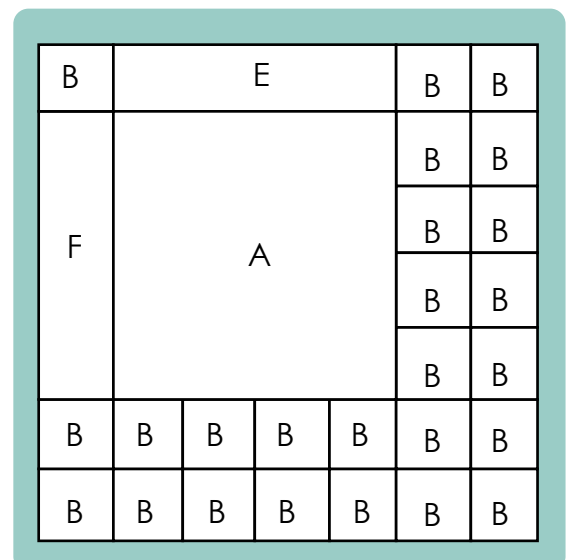

White 'hanky' linen cut one 10" square. (A)

Vilene H410 iron on interfacing cut one 10" square.

From assorted fabrics cut twenty five 2 1/2" squares. (B)

Brown floral print cut one 8 1/2" x 2 1/2" strip. (E)

Mint medallion print cut one 8 1/2" x 2 1/2" strip. (F)

Time to go stitching!

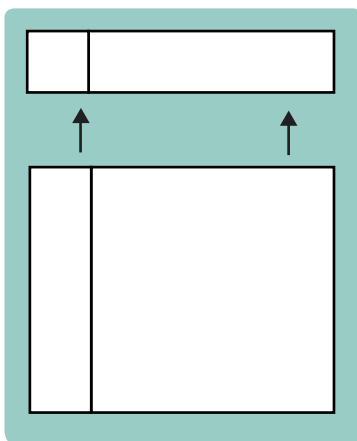

Transfer the stitchery design to the centre of the 10 inch linen square by hand tracing with a light box and super fine Pigma pen.

Fuse Vilene H410 light weight interfacing to the back of the linen and complete all embroidery using the stitch and thread guide.

Once the stitching is complete trim the block to measure 8 1/2" square.

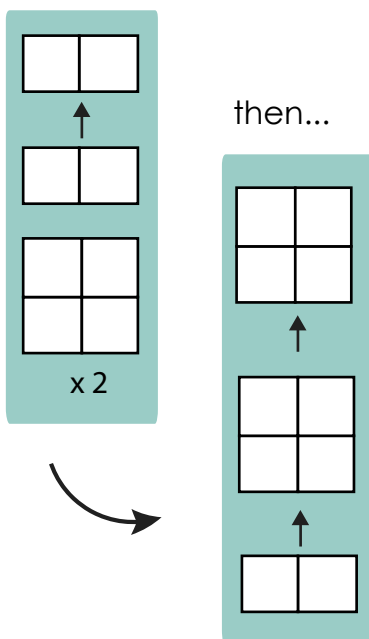

Let's begin building block six.

Mermaiden Tales 'Undersea' has been designed with simple block construction broken down into three sections.

Section 1

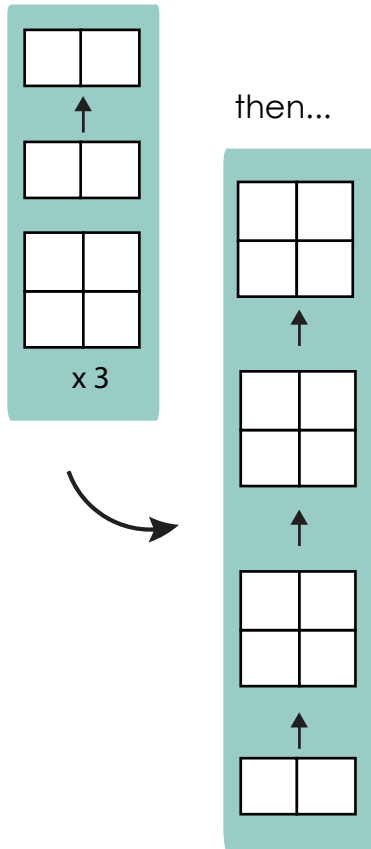

1. Sew together one 2 1/2" square (B) and one 8 1/2" x 2 1/2" strip (E) press toward square.
2. Sew together one 8 1/2" x 2 1/2" strip (F) and one 8 1/2" embroidered square (A) press toward square.
3. Nesting the seams sew the two sections together as arrows indicate to complete section 1.

Section 2

4. Take two 2 1/2" squares (B) and sew together, press seam to the left.
5. Take two 2 1/2" squares (B) and sew together, press seam to the right.
6. Nesting the seams sew these two sections together making one four patch square - **make two of these.**
7. Take two 2 1/2" squares (B) and sew together, press seam to the left.
8. Nesting seams sew the two four patch squares and one two patch rectangle together as arrows indicate to complete section 2.

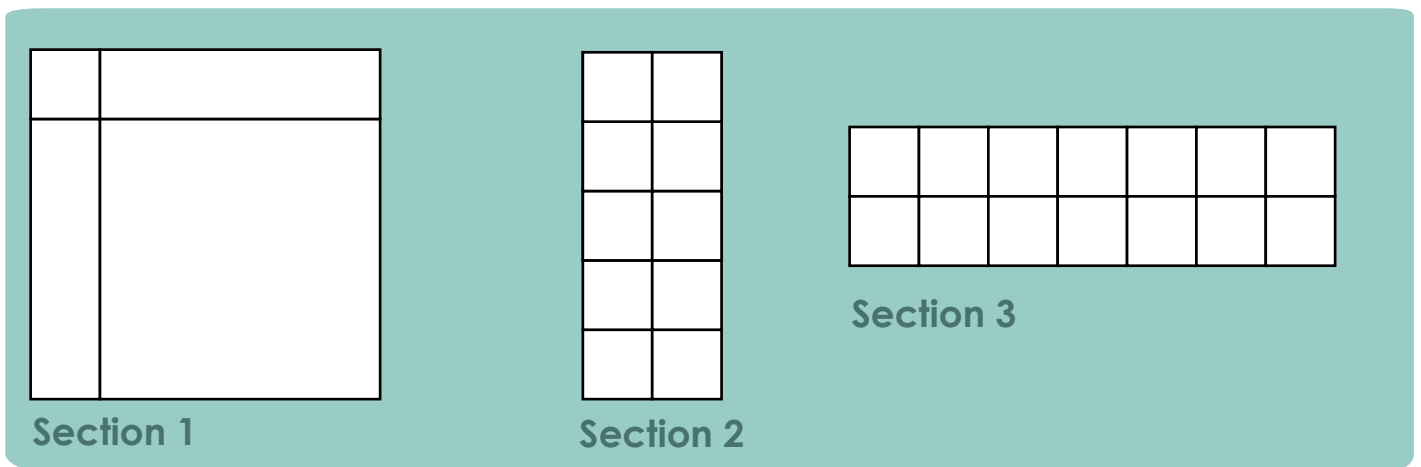

Building block sections (continued)

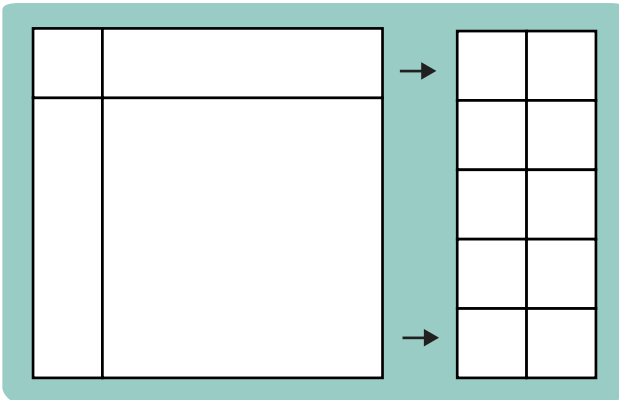

Section 3

9. Take two 2 1/2" squares (B) and sew together, press seam to the left.
10. Take two 2 1/2" squares (B) and sew together, press seam to the right.
11. Nesting the seams sew these two sections together making one four patch square - **make three of these.**
12. Take two 2 1/2" squares (B) and sew together, press seam to the left.
13. Nesting seams sew the three four patch squares and one two patch rectangle together as arrows indicate to complete section 3.

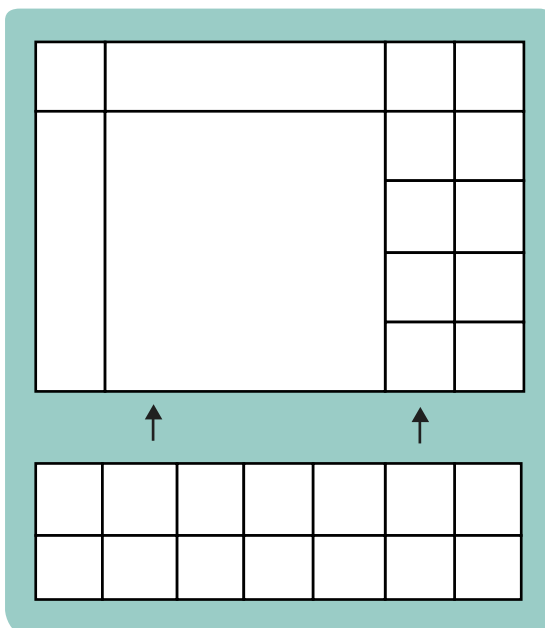

Your three completed sections should look like this!

Completing block six

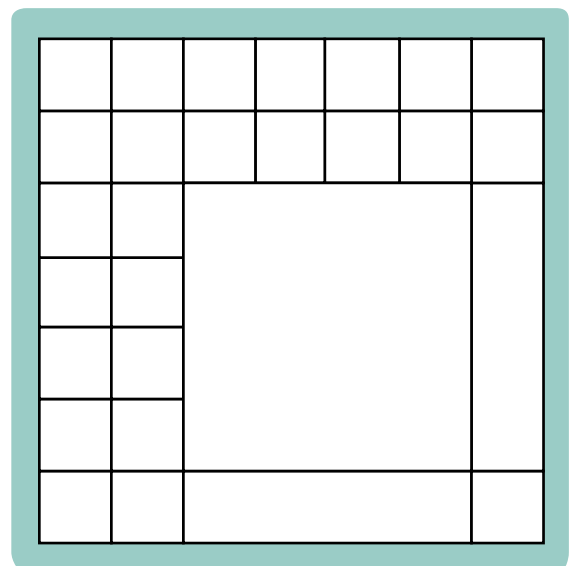

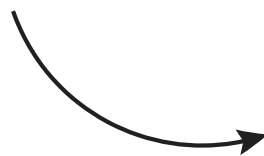

13. Place section one and two side by side. Sew the two sections together as arrows indicate and press the seam to one side.

14. Place this panel and section 3 side by side. Sew the together as arrows indicate and press the seam to one side.

11. And just like that your sixth block is complete, **you are awesome x**

Tips for adding texture

Hair texture is added by echoing the lines of the hair repeatedly, texture is added free hand once the chain stitching is completed so you can add as little or as much as you like.

Scale texture on the mermaid tails - you can either go crazy with scales or add a few here and there as I have drawn for you, have fun and enjoy.
