Peaceful Pillowcase

Peaceful Pillowcase

What better way to jazz up your children's bedroom {or your own!} than with a special pillowcase. A simply pieced cover made with two alternating prints - I see sweet dreams on the horizon and happy Kids and Mums....

Just a few quick notes....

- Be sure to read over all the instructions before beginning.
- All seams are sewn with a 1/4" seam allowance / WOF = width of fabric, selvage to selvage.
- You can use an overlocker to tidy seams if preferred although this is not essential.
- Take your time and read over the fabric cutting guide below before making your first cut.
- Of course the 'Peaceful Pillowcase' can be made with any fabric combination, you can even find more pillowcase inspiration over the page so have fun!

Requirements and fabric cutting guide

Selected fabrics (as per cover photo)

Fabric 1: Butterfly border print with gingham {note: this border runs along both edges of fabric selvage}

Fabric 2: White butterfly circles with solid background

Butterfly border print - fabric 1

Begin with one 19 1/2" strip x WOF

Measure across the width of the fabric and trim to 39" wide, I have centred the border edges so they are even both sides, this is shown by the arrows and image below.

White butterfly print - fabric 2

Cut one 11" x 19 1/2" rectangle **and** One 17" x 19 1/2" rectangle

Peaceful Pillowcase

With right side down, fold the finished edge over 6 inches to make the pillowcase flap.

Pin to hold.

With right sides down, lay the centre panel and two hemmed end pieces as shown.

Sew together and press.

Once sewn together into one strip, fold in half with right sides together. Matching pieced panel seams and raw edges, sew along each side of the pillowcase to complete.

Remove all pins and turn right side out carefully turning the corners of the pillowcase to create sharp corner points.

Press and insert your favourite 'standard sized' bed pillow insert and you are done!

Go on.....have a nap, you deserve it!
